

THE GRAD

How to be a picture-perfect graduate.

Here's everything you need to know to look your best on the big day. Remember, our professional photographer will be at your graduation ceremony to take your picture as you receive your diploma. Because we use the best professional film and equipment, it will be one less thing for your family to worry about (tell Dad he can stay seated at the ceremony). After graduation, expect to see proofs of your pictures in the mail in about a week. From that proof card you can order portrait quality pictures you'll want to keep and share. So just follow these simple rules and you're on your way to becoming a picture-perfect graduate. Now, all you have to do is smile.
