The Transportation Department of Van Buren Public Schools is in the process of scheduling general education bus services for the 2010/11 school year. Our records indicate that you have one or more student(s) attending Belleville High School, who are eligible for bus service.

In past years, experience has shown that many of our eligible students do not use our school bus services. These students may transport themselves, ride with other students, or ride to and from school with parents or neighbors.

NEW FOR THE 2010-2011 SCHOOL YEAR

In an effort to provide more efficient and cost effective transportation services, we are requesting information from you. If your student(s) plans to take advantage of regularly scheduled bus services either to or from school this coming school year, please fill out the bottom of this form and return it to the transportation department no later than June 10th, 2010. IF WE DO NOT RECEIVE A REPLY, WE WILL ASSUME THAT BUS SERVICE DOES NOT NEED TO BE SCHEDULED FOR YOUR STUDENT(S).

Thank you for your cooperation. We look forward to an outstanding school year. Best wishes to your student(s) for their continued academic success!

Thank you,
Van Buren Public Schools Transportation Department

Please return by June 10th, 2010 using U.S. mail or fax:
